
Main Street Lewis Sinclair Harcourt Brace

introduction - ambassador bridge - the 1920s inspired those with courage or hard cash (or connections to it) to forge a world that only superlatives could describe. the "war to end all wars" was won, and the powers of politics, science and industry to erase mankind's other ills were in evidence: **titles from open response questions*** - titles from open response questions* updated from an original list by norma j. wilkerson. works referred to on the ap literature exams since 1971 (specific years in parentheses) **phage therapy: past history and future prospects** - *archivum immunologiae et therapiae experimentalis*, 1999, 47, 267-274 pl issn 0004-069x review phage therapy: past history and future prospects
